

STATE OF HAWAII
NOTICE OF AND REQUEST FOR EXEMPTION
FROM CHAPTER 103F, HRS

'10 AUG -2 P3:20

To: Chief Procurement Officer

STATE PROCUREMENT OFFICE
STATE OF HAWAII

From: **Department of Defense**
Department/Division/Branch of Office

Pursuant to § 103F-101(a)(4), HRS, and Chapter 3-141, HAR, the Department requests a procurement exemption to purchase the following:

1. Title and description of health and human service(s): LIFE SKILLS TRAINING AND WORK READINESS PROGRAMS FOR YOUTH AND ADULTS FUNDED UNDER THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009 (ARRA). The Department of Defense (DOD) has entered into an MOA dated June 10, 2010 with the Department of Human Services (DHS) to provide a Summer Youth Employment Program (SYEP) from July to September 30, 2010. A subsequent MOA between DOD and DHS dated July 19, 2010 provided additional ARRA funding for the SYEP in the amount of \$5,000,000. (See Attached) Finally, we just received approval from the GOV for an additional \$5,000,000 in ARRA SYEP funds.	
2. Provider Name and Address:	The Paxen Learning Corporation 710 Atlantis Road Melbourne, FL 32904
3. Total Contract Funds:	\$743,854
Contract Funds per Year (if applicable):	
4. Reference number of Previous Request for this Service (if applicable):	
5. Term of Contract:	Start: August 1, 2010 End: 9/30/11
6. Describe how procurement by competitive means is either not practicable or not advantageous to the State: 1. Extremely narrow window that is available for the expenditure of this ARRA money, i.e. \$5mil must be spent by 9/30/10. 2. The procurement time line including RFI, publication of RFP, 30 day deadline to receive proposals, proposal evaluation, offer of award, and contract execution will exceed the time limits in item #1. 3. The Paxen Learning Corporation (Paxen) is already contracted to do basically what the SYEP is expected to do. The present contractors' participants who complete their own youth program (over 1,200) can move into the SYEP seamlessly as they already share elements common to both Paxen's youth program and the ARRA Summer Youth Employment Program.	
7. Describe the reason for the selection of the provider including a description of how the procedure ensured the maximum fair and open competition practicable: The Paxen Learning Corporation (Paxen) is a current contractor to the DOD providing the very same services ascribed in the SYEP but under much more generous time limits (annual contract vs. a two-month contract.) The current contract services both youth and adults in providing them job readiness skills and opportunities either p/t afterschool or f/t in the case of adults. These same attributes are shared by the SYEP. If sufficient time was available for a proper procurement of services, Paxen would be most likely to be offered the award.

8.	Describe the state agency's internal controls and approval requirements for the exempted procurement: Since Paxen was selected via a formal RFP process and is subject to regular monitoring and evaluation by the DOD, the same controls and overview would be implemented.
9.	List the state agency personnel, by position title, who will be involved in the approval process and administration of the contract: Ken Nakagawa, Program Specialist
10.	Direct questions to (name & position): Ken Nakagawa Phone number: 733-4219 e-mail address: knakagaw@dod.hawaii.gov
